

Inductive proximity sensor

-
- Technical drawing of a shaft assembly. The drawing shows a shaft with a diameter of $M8 \times 1$. The shaft has a total length of 45. The distance between the center of the two bearings is 41. The distance from the left end of the shaft to the center of the left bearing is 4. The distance from the right end of the shaft to the center of the right bearing is 3. The shaft is supported by two bearings, which are labeled 1.
